SUMMARY

Passionate web developer with a strong background in education and personal experience. Always seeking to ask questions and learn/apply new concepts and technologies. Solution-driven, seeking creative and efficient ways to overcome obstacles faced. Motivated and eager to prove value and talent as a web developer.

PROJECTS

PORTFOLIO (https://github.com/Martin-Ukhanov/portfolio)
React | Styled Components
- Personal portfolio website to showcase skills and projects.
- Functionality to swap between color palettes.

WORDLE CLONE (https://github.com/Martin-Ukhanov/wordle-clone)
HTML | CSS | JavaScript | Webpack
- Based on the popular New York Times game 'Wordle'.
- Accepts input and manipulates DOM elements to allow the user to guess a random word.

MOVIE FINDER (https://github.com/Martin-Ukhanov/movie-finder)
HTML | CSS | JavaScript | Webpack | API
- Utilizes the OMDb API.
- Allows the user to search for any movie by title.
- Manipulates DOM elements to display the movie's info and poster.

POINT OF SALE (https://github.com/Martin-Ukhanov/point-of-sale)
HTML | CSS | JavaScript | Google Apps Script
- Point of sale interface developed for a freelance client.
- Allows the user to create and post invoices.
- Utilizes Google Apps Script to read/write user, customer, product, and invoice data in a Google Sheet.

EMPLOYMENT

CUSTOMER SERVICE REPRESENTATIVE
Crystal Clear Water Centres | Waterloo, ON | 2021 - Present
- Assist customers with purchasing purified water, water filters, water systems, and carrying out heavy bottles.
- Operate company software in order to access databases, create invoices, and perform transactions.
- Complete daily tasks such as restocking, water testing, and counting till.
